

Piter Zac. Garcia

Curriculum Vitae

OBJECTIVE

My objective is to obtain a position in a result orientated environment, and gain valuable industry experience to help me channel my educational and career pursuits. I consider myself as a highly enthusiastic individual with the desire to demonstrate my entrepreneurial spirit, and to contribute to the overall success of a company.

CORE PROGRAMMING EXPERIENCE

FALL 2012 - SPRING 2015

Rochester Institute of Technology Computer Science MS Student

Main Programming Language: Java	Main Platform: ECLIPSE
Lab Based Courses	Year
O-O-Programming, Advanced Programming, Cryptography.	2012-13
Computer Graphics I, Data Cleaning & Preparation.	2013-14
Big Data Analytics.	2014-15

SPRING 2010 - FALL 2011

Farmingdale State College Computer Engineering BS Student

Main Programming Language: C++	Main Platform: MS Visual Studio
Lab Based Courses	Year
Advanced Electronics, Foundations Computer Prog I.	2009-10
UNIX Operating Systems, Foundations Computer Prog II.	2010-11
Data Structures.	2011-12

COMMUNICATION SKILLS

ENGLISH	Oral: Excellent - Written: Excellent
SPANISH	Oral: Excellent - Written: Excellent

WORK EXPERIENCE

NOVEMBER 2015 - PRESENT

True Interaction Tech Lead/Developer

My main duty is to provide technical direction for the development, design, and system integration of a project from its definition phase through its implementation. This process includes tasks such as, create and execute development and revision plans to meet changing needs and requirements, employ different database design techniques, apply programming experience to suggest areas for improvement and implement effective solutions, provide assistance with front-back end programming, and manage client interaction and expectation regarding development expectations.

JUNE 2015 - NOVEMBER 2015

Mad Chef Kitchen Computer Science Specialist

Developing programs for the system of the company to manage and administrate its data and security. Also, install and improve all necessary software within the company and its non-profit organization while providing the right support.

AUG 2014 - JAN 2015

Tiburón Lockers Software Engineer

My main duty was the development of a website to manage and supervise electronic lockers and company records. Others duties included product testing, preparation of technical support documents, and technical support with the software and hardware of electronic lockers.

OCT 2013 - SEPT 2014

Qualitrol Corporation Computer Applications

My main responsibilities were the selection of Qualitrol products to satisfy application requirements, technical support for customers and manufacturing, product management support, preparation of technical support documents, on site maintenance and training.

AUG 2013 - OCT 2013 & MAR 2013 - AUG 2014

Rochester Institute of Technology (RIT) Computer/Office Assistant

My main task was to give assistance to the Dean/assistants with Microsoft Office tasks. Other tasks included to provide maintenance and support with software and electrical appliances.

MAY 2011 - SEPT 2013

Data Device Corporation Computer/Electrical Engineer

My main responsibilities were to create lab reports, temperature testing, and circuit analysis. Other duties included to create and maintain process documentation, forming part of new projects supporting the winning of new business for DDC, among others.

EDUCATION/TRAINING

2012 - 2015	Computer Science MS RIT Rochester, NY
2007 - 2012	Computer Engineer BS SUNY FARMINGDALE Farmingdale, NY
2007 - 2012	Electrical Engineer BS SUNY FARMINGDALE Farmingdale, NY
2003 - 2004	Data and Key Board Administration CENTEP Sto. Dgo. East, DR
2002 - 2003	Microsoft Office Technician CETI Sto. Dgo. East, DR

ACTIVITIES/AFFILIATION

2015 - PRESENT	J.Villatoro Foundation Officer
2013 - PRESENT	National Society of Leadership & Success Student Member
2009 - PRESENT	IEEE Student Member Member NO.: 90613000
2009 - 2012	Engineering Group Student Member - FSCT
2009 - 2012	Project Development Student Member - CSTP at FSCT
2009 - 2012	Latin American Org. Student Member - LASO at FSCT

MS/BS PROJECTS

2015	Sign Language to Text Automatic Translator: Microsoft Visual Studio/(C# & XAML)
2014	Highest Road Accident Probability: WEKA/Java
2013	Holographic Pong: OpenGL/C++
2013	Best Time to Vacation: MySQL/PostgreSQL/Python
2012	Battle Ship Game: Java - GUI Application
2012	Car Segmentation: MatLab
2012	Scenes Category: MatLab
2011	Smart Meter Home Application: C/PIC

SOFTWARE SKILLS

GOOD LEVEL	C++, Java, MatLab, HTML, PHP, MS-DOS, Linux, $\text{\LaTeX}$.
INTERMEDIATE	OpenGL, MySQL, Postgres, C#, C, XML, CSS, Python, PSPICE, ABEL, Xilinx.
BASIC LEVEL	Wordpress, Windows, LabVIEW, Networking/Data Communication.

ENGINEERING SKILLS

GOOD LEVEL	K-Map Techniques, Logic Gates, Adders, Multiplexers, Decoders, D-Multiplexers, Flip-flops, D/A-D converters.
INTERMEDIATE	Semicond diodes, BJTS and Q pt. OP conditions, Diode circuit, rectifiers, zener diodes, R-C/R-L switching filters.
BASIC LEVEL	Regulated/max power transfer analysis, Electric magnetic fields, and cap. ind, network analysis.
